PRESS RELEASE

BOMA Pittsburgh Seminar Property Management Issues 2013

Pittsburgh, PA - On February 28, 2013 Accredited Environmental Technologies, Inc. (AET) presented a training seminar to a joint meeting between the Building Owners & Managers Association (BOMA) Pittsburgh and the Western, PA Chapter of the Institute of Real Estate Management (IREM) Chapter No. 7 at the Clarion Hotel in Greentree. Training was provided to assist BOMA and IREM members in meeting their PA Real Estate Licenses. Approximately 62 members attended who will receive 7 hours of PA Real Estate License continuing education credit.

AET's training seminar was provided by Mr. Harris Brody, Vice President of AET. Mr. Brody is a Certified Industrial Hygienist and Certified Hazardous Material Manager with over 25 years environmental consulting experience. Mr. Brody holds a masters degree in Business Administrator and a Bachelors Degree in Chemistry.

Topics presented by Mr. Brody included:

- Real Estate Due Diligence: Phase I ESA's and their limitations.
- Asbestos Inspections and Risk Management Decision Making
- Mold/Moisture Response Actions, Staff Training and Common Mistakes
- Indoor Air Quality Proactive Options, Investigation and Controls
- Hurricane Sandy - A Case Study and the Aftermath
(Potential Mold Related Illnesses)
