PRESS RELEASE Mr. Louis Pergola

Media, PA – February 2016 – Accredited Environmental Technologies, Inc. (AET) is pleased to announce the promotion of Mr. Lou Pergola to Vice President of AET’s Pittsburgh operations. Mr. Pergola (“Lou”) has lead AET’s Branch Operations for over 23 years as a Project manager, Branch Manager and Team Leader.

Lou routinely demonstrates his expertise and diversity in managing unique and typical environmental studies in asbestos, lead, mold and indoor air quality. He continues to garner praise and client loyalty for his prompt response, honest communications and demonstrated proven results for clients throughout Western Pennsylvania, Ohio and West Virginia.

First and foremost, Lou is a hands-on Environmental Professional with extensive knowledge in building construction and site redevelopment. To all of Lou’s clients, expect to continue seeing him on your project sites, ensuring the ongoing surveillance and completion of your environmental needs.

AET is a nationwide environmental service corporation headquartered in Media, PA providing diversified environmental contracting, consulting and laboratory services. A listing of 29 representative service capabilities are detailed on our website www.aetinc.biz. We are a recognized industry leader with a reputation for quality, client satisfaction and cost effective management of environmental risk designed to solve your environmental needs.
